3:00 PM - 3:55 PM

Barton Elementary School Project Royal Palm

Mr. Tom Hindson, Northern Telecom

The School Board of Palm Beach County

and Northern Telecom have collaborated

together in a project to involve school

staff more fully in administrative and

instruction decision making. This new

approach has the potential to relieve

classroom personnel of burdensome,

unnecessary tasks that stand in the

way of instructional effectiveness.

4:05 PM - 5:00 PM

On-line Kermit

Salon A&B

Dr. Richard Elnicki, UF College

of Business

A public-domain communications

package will be used to demonstrate

manual and programmed access to

mainframe services, changing key-

board definitions "on the fly." Interested

users will be able to copy the software
to their own 360k diskettes
formatted with DOS 2.01 or higher.
