10:10 a.m. - 12:00 p.m. Session 8B Stirling Salons D, E & F	***Meeting of: Community College CIO's***
10:10 a.m. - 12:00 p.m. Session 8C Edinburgh Salon II	***Meeting of: University IRM Meeting***
11:10 a.m.- 12:00 p.m. Session 9A Stirling Hall West	*Data Driven Decision Making: Turning Information into Action* **Dr. John Hilderbrand, Hillsborough County Public Schools & Greg Perkins, Sagebrush** In today's increasingly complex education environment, administrators and educators are being held more accountable for school performance and student achievement. To effectively examine your district's data, you need a powerful easy to-use analysis tool. Hillsborough County Public Schools has partnered with the Sagebrush Corporation to implement Sagebrush Analytics. By using Analytics, the SDHC MIS department no longer has to spend hours building program applications and exporting data into reporting software. SDHC administrators and teachers will now have access to multiple views of their data at their fingertips using a single browser-based interface that will give educators the data they need to turn information into action. **Sponsored by Sagebrush Corporation**
12:00 p.m. - 2:00 p.m. Stirling Hall East	**Luncheon Sponsored by e-TechServices.com, Inc.** *Convergence Vision - Transforming Communications in the New Millennium* **Phil Edholm, Nortel** Convergence is transforming the way we build networks, communications systems and applications. However, successful convergence requires that organizations consider carefully their choices and implementation strategies. This presentation will cover Nortel's vision for convergence in network protocols, infrastructure and applications. It will discuss the vision Nortel has and how this vision integrates mobility and advanced communications technologies such as SIP to transform the way enterprise communicate internally and with their customers. Finally, the impact of next generation wireless capabilities and extended mobility will be discussed.
2:00 p.m. - 3:20 p.m. Session 10A Stirling Hall West	**Joint Meeting of Community College and University CIO's**
2:00 p.m. - 3:20 p.m. Session 10B Stirling Salons D, E & F	**Business Meeting of the SDCCMIS**
