

Desktop Publishing - Getting the Word Out

Mr. Philip Sencer, *Broward County*

Ms. Michele Gresham, *Broward County*

District level personnel focus on the uses of desktop publishing tools and technology by the Information Services Department of the Broward County School Board to produce its monthly newsletter, the "Informer". Topics will include newsletter layout, document assembly, system and program requirements, target audience and article selection. Copies of the "Informer" will be distributed.
