

AS/400 Panel

Mr. Peter Bruggink, *Pasco County*; Mr. Gary Hebert, *Manatee County* and Mr. Ron McCord, *Sarasota County*

The areas covered will include (1) using the IBM AS/400 as the district repository (via TERMS) of student data gathered from the Ulm system used at the school level; (2) using the IBM AS/400 and a district developed software system for centralized processing in a district wide data communications network; and (3) using the IBM AS/400 in a distributed/centralized system using TERMS at the school and district levels.

Retirement, Money and the State Educational Employee

Mr. Ferd Renniger, *VALIC*

All the things your mother never told you about (1) Florida Retirement, (2) Tax Sheltered Annuities, and (3) Social Security for State Educational Employees.
